It doesn't seem just right to call these beautiful shaped garments "Raincoats." The name is used so indiscriminately in connection with flimsy, ill-fitting Coats that it doesn't at all describe the smart, rainproof, dressy Overcoats which we are selling this Fall. We shall be pleased to show you. Look at our new Rain Coats whether you have one to buy, or have just bought one elsewhere. We should like to have you know the difference between our kind of garments and the other kind. Smartly tailored Rain Coats of Worsted, Cheviots, Coverts, perfect at every point, \$10.00 to \$25.00.
